

NAUGIN[®] spray Patented Actisystemboxes technology

Naugin[®] is a food supplement which, thanks to the presence of the extracts of Ginger, Chamomile and Star Anise, performs a digestive function and contributes to regular gastrointestinal motility and the elimination of gas. Ginger extract is essential for the anti-nausea action while the presence of Chamomile has an emollient and soothing effect on the digestive system.

INFORMATIONS DEDUCTED BY INTERNATIONAL LITERATURE:

Ginger extract has proven useful in reducing the symptoms of motion sickness (car, ship and plane sickness) without giving side effects (*Motion sickness, ginger and psychophysics-Lancet 1982*)

Ginger extract has proven effective and safe in controlling nausea in pregnancy (*A systematic review and meta-analysis of the effect and safety of ginger in the treatment of pregnancy-associated nausea and vomiting- Nutrition Journal 2014*)

Ginger extract has proven effective in the treatment of chemotherapy nausea, in addition to classic antiemetics (Ginger (*Zingiber officinale*) reduces acute chemotherapy-induced nausea: a URCC CCOP study of 576 patients - Supportive Care in cancer 2011)

Naugin[®] has proven useful in the prevention of nausea and dysgeusia from radiotherapy (*Prospective assessment of taste impairment and nausea during radiotherapy for head and neck cancer - Medical oncology 2019*)

How to use : *2-3 sprays under the tongue 3 times a day*

WARNINGS: Food supplements are not intended as a substitute for a varied and balanced diet and a healthy lifestyle. Do not exceed the recommended dose. Keep out of the reach and sight of children under 3 years of age. Store the product in a cool and dry place. Do not disperse the container in the environment. The product contains sweeteners: excessive consumption can have laxative effects. Shake well before use.

The product does not contain gluten and lactose.

PACKAGING : 10 ml bottle
